1. Introduction

We are committed to making our website accessible to everyone. Our goal is to provide a positive and inclusive experience for all visitors, regardless of ability or technology.

2. Our Commitment

We have designed this website to meet the **Web Content Accessibility Guidelines (WCAG) 2.0 Level AA** standards. These guidelines outline how to make web content more accessible for people with disabilities, and we believe that following them also makes the web better for everyone.

3. Features of Accessibility

- The website is fully navigable by keyboard.
- Text alternatives are provided for non-text content such as images.
- Content is structured with proper headings and labels to support screen reader use.
- Color contrast meets accessibility standards to ensure readability.
- Pages are designed to reflow properly on different screen sizes and devices.

- We do **not** sell or rent your personal information to third parties.

4. Ongoing Efforts

Accessibility is an ongoing process. While we have taken steps to meet WCAG 2.0 Level AA requirements, we continually review and update our site to maintain and improve accessibility.

5. Feedback

We welcome feedback on the accessibility of our website. If you experience any barriers or have suggestions for improvement, please let us know:

- **Email:** admin@modernwebsolutions.org
- **Phone:** (905) 932-0148

We aim to respond to accessibility-related inquiries within 5-7 business days.

6. Commitment to Improvement

As technology and standards evolve, we remain committed to keeping our website accessible and user-friendly for all visitors.
